SAVING YOUR SANITY, ONE LIST AT A TIME

LOCALLY OWNED IN THE 904

**PREMIER
BRIDE**

COLLEEN BIES PHOTOGRAPHY

IT'S IN THE DETAILS

PHOTOGRAPHY MUST-HAVES

Make your photographer a list of all the details you want to remember. We're talking non-people pictures - things you put a lot of thought into that might mean more to you than anyone else. You spend so much time planning and the day goes by so fast that you may not even see it all. This way, you won't miss a thing!
